Education

Kakinada Institute of Engineering & Technology

Bachelor of Technology in Computer Science and Engineering

Korangi

2020 – 2024

Skills

Programming Languages: Java, Typescript, Javascript, Python

Web Development: React Js, Angular, Node Js, HTML, CSS.

Frameworks & Libraries: Spring Boot, Spring MVC, Hibernate, JPA.

Databases: MySQL, SQL, MongoDB.

Tools: Visual Studio Code, Eclipse IDE, Spring Tool Suite (STS), Postman, Maven.

Version Control: Git

Cloud: Azure, AWS, Docker, CI/CD

Projects

eazyBuy | TypeScript, Angular, Spring Boot, MySQL

[Github](#)

- Developed a full-stack e-commerce platform, **eazyBuy**, using **Angular** for the frontend and **Spring Boot** for the backend.
- Integrated **Hibernate** for efficient data persistence and managed the database with **MySQL**.
- Implemented a secure payment gateway using **Razorpay** to facilitate smooth online transactions.
- Created a **responsive and dynamic UI** leveraging **Bootstrap** and Angular for a seamless user experience across devices.
- Designed and consumed **RESTful APIs** for seamless communication between the frontend and backend services.
- Ensured a scalable, robust, and user-friendly architecture to handle product listings, user authentication, and cart management.

ATM Interface Project | Java, JPA, MySQL

[Github](#)

- Developed an ATM interface using **Java**, **JPA**, and **MySQL** to manage user accounts and perform banking operations.
- Implemented key features like **user authentication**, balance inquiry, and transaction handling (withdrawal, deposit).
- Designed a relational database schema using **MySQL** for secure storage of user details and transaction history.
- Utilized **JPA** for efficient data persistence and interaction with the database.
- Ensured transaction integrity by validating user inputs and preventing overdraft withdrawals.
- Conducted thorough testing and error handling to deliver a reliable and secure user experience.

Minor Projects: Tic-Tac-Toe Game, Rock-Paper-Scissors Game, Student Management System.

Certifications

-
- Blockchain And Its Applications (NPTEL)
